The PVILCA Ring

This is a memento that not only signifies your membership in an elite group of former coaches and athletes, but connects you to a storied history. It was a time we're not likely to see again and you played a significant role in its success--on the field, on the court, on the diamond, on the track...in the classroom, and other areas of competition that saw PVIL member schools produce some of the greatest talent (athletic and academic) anywhere, from 1920-1970.

You helped make history, and now you can remember the past with pride with a PVIL ring. Cost: \$425. For a ring order form visit our website www.PVILCA.org print, fill out and mail to:

MILTON LEONARD KIRKPATRICK JR SR HIGH SCHOOL

SPORTS HISTORY

This brief segment of Kirkpatrick's football history is taken from an article written by John Henry, a sports writer for the Fort Worth Star Telegram. The article, "When Fort Worth Football Was Unequaled", appeared in the Friday, November 12, 2010 Fort Worth Star Telegram. In this article, Mr. Henry provided highlights of the many injustices within the Fort Worth Independent School District during the early 1960s. He provided statistics that put Kirkpatrick's football team in the forefront as exceptional players. One particular

point of interest is found in Mr. Henry's opening statement that, "The Fort Worth School District hasn't had a state football champ since Kirkpatrick in '62-'63". Through interviews with one of Kirkpatrick's head coaches, the late Gerald Beal, Mr. Henry was able to capture a true picture of what the title of his article meant.

The inequality within the FW District was felt in the athletic department as well as the area of academics. All scholastic and athletic materials and gear was filtered down from the white schools in Fort Worth (Pascal, Polytechnic, & Trimble Tech, to name a few). The choice of sports equipment and gear was selected according to the school color. The school color for Pascal and Kirkpatrick was purple. So, coach Beal would pick up the cleats and jerseys from Pascal and deliver them to our team.

Although exceptional in their accomplishments, reports of Kirkpatrick's team was not recognized in publication until now. A December 1962 Fort Worth Star Telegram article buried deep in the sports section read like this, "...Kirkpatrick raps Fidelity for 3A crown..." Given Kirkpatrick's back to back titles, this article should have been placed on the front page.

Take a look at the chronicles of success and challenges that the team consistently met in their quest to stay on top of the game. The accomplishments and accolades -

- Kirkpatrick is the last school from the Fort Worth school district to win a state football title
- TUC coach Abe Martin said, "What these Kirkpatrick wildcats actually became were the best high school team then - he had ever seen."
- "We were a small school," Beal Said. "But we were blessed with exceptional athletes and speed."
- So as North Side played in its new shoes and Paschal played in crisp uniforms, Kirkpatrick just played...longer than anybody else.

Let it also be noted that Kirkpatrick holds the honor as Prairie View Interscholastic League Class 3A State Football Champions of 1962 and 1963. **AND**, Kirkpatrick is the **Last** school from the Fort Worth School District to win state football title.
